

REMOTE TAPE PRINTER

Deliver weigh tickets to drivers to keep them in their vehicles for safety and increased number of weighments per day.

IDEAL FOR HIGH-VOLUME WEIGHING

The rugged and reliable Thurman Remote Printer is ideal for high-volume vehicle weighing applications.

It features a stainless steel enclosure designed specifically for outdoor use in vehicle weighing applications.

It offers speedy print functions at up to 6.0 lines per second for fast ticket processing.

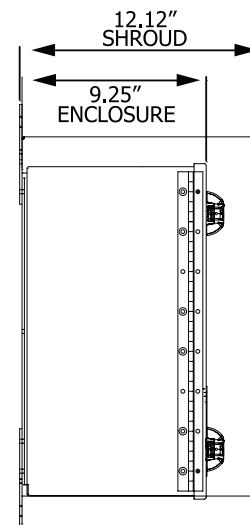

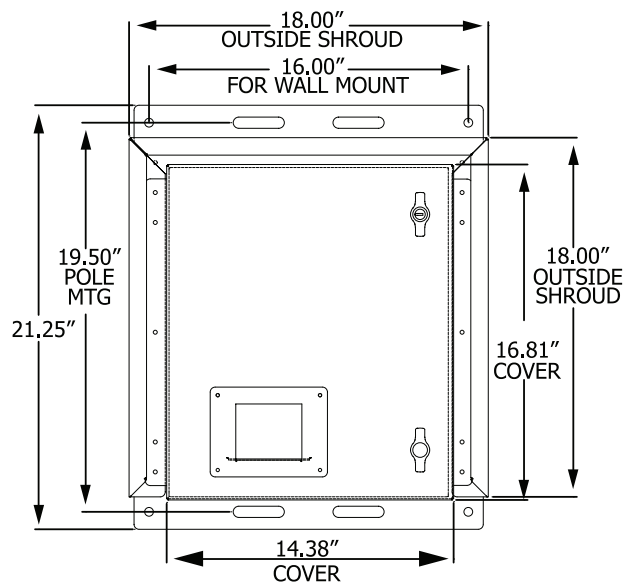

Thurman Remote Printer offers exceptional reliability with an MCBF of 18 million lines, an MTBF of 180,000 hours and an auto cutter life of one million cuts.
